Docket No. 98N-1265
Food and Drug Administration
6560 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded Rx relieves my menopausal
symptoms and enables me to live a normal
life with great joy and sense of well-being.
I object to the FDA's intrusion into my
being able to get my M.D. prescribed medication
from my pharmacy of choice.
